Subject: Oxbow Hill Solar Project

Supervisor Jones,

Please be advised that Cypress Creek Renewables, LLC. Intends to submit the Oxbow Hill Solar Project to be located in the Town of Fenner into NYSERDA's solicitation for the Purchase of New York Tier 1 Eligible Renewable Energy Certificates (RECs) Request for Proposals (RFP) No. RESRFP22-1 released September 21, 2022. We will be filing our proposal with NYSERDA on or before April 12, 2023. As part of our submittal, we will include a complete Community Engagement Plan as described in Section 8.3.4, of RESRFP22-1, which will be publicly posted by NYSERDA following the submittal of our Bid Proposal package. Please note that the Community Engagement Plan prepared in 2021 is available for viewing on the Oxbow Hill Solar Website. https://ccrenew.com/projects/oxbow/.

I reiterate my request that we establish a regularly scheduled status call/meeting to keep the Town apprised of ongoing developments and the lines of communication open.

Thank you.

Keith
