Will,

To my knowledge the Town of Fenner does not install snow fencing.

Brad,

A follow up question for you – do you happen to know where the Town of Fenner puts its own snow fencing? I've reached out to them a couple of times over the last week, but haven't heard back.

Thanks,

Will

Will,

Madison County Highway Dept. only has two locations where we install snow fence in the Town of Fenner.

The first location is on Cody Road, just east of the intersection with Nelson Road.

The second location is located on Nelson Road, near address no. 4955.
